## History of Class of "27"

In the year of 1923 about 105 little boys and girls boarded the train "U. H. S" and started for their destination "Education". Their journey was to continue for four years, and they equipped themselves with their Latins and Algebras. The other classmen that were aboard this train called them "Freshies" and laughed at them and their many mistakes. This, however, did not last long.

Hal Cummings was elected to guide them safely through their journey to the first stopping place, "Vacation". The Senior Class gave them a "Hard Times Party" and in this manner managed to bridge the gap between the two classes.

The summer vacation soon passed and the train was boarded again, but this time as "Sophomores". Nedra Ramsour was elected President in order to lead them safely through the second year. A "May Party" was the only social event of the year. Many of the class were beginning to shine on the Athletic Field. Thus the year passed and the second stopping place was reached.

The next year came in with a rush. Nedra Ramsour was chosen again to guide those that had boarded the train for the third time, for not all had come aboard this time as they had become so fascinated with the stopping place "Vacation" they had forgotten to get back on.

Many of the members were prominent on the athletic field. Among the football contestants were Jesse Dempster, Robert Marshall, Hal Cummings and Everett Bromwich. The girls that were starring on the basketball floor were Lois Brakebill, Elizabeth Patterson, Ruth Taylor, Hazel Siegrist and Ethel Van Lehn.

A "Kid Party" had been held in April which was enjoyed by all, and in May, that year, the Juniors entertained the Seniors at the Junior-Senior Banquet. This class can look back over that year with a glow of pride, for it was the greatest success of their three years aboard the train. Thus the third year went out in a blaze of glory.

And now the last glorious year with all its trials and tribulations. But it is worth all of these just to have the lower classmen look up at us with a kind of awe.

Nedra Ramsour was re-elected to guide the train to its destiny. The class proved its superiority over the other classes in many ways.

The girls Basketball team with Captain Brakebill, Elizabeth Patterson, Ethel Van Lehn, Ruth Taylor and Hazel Siegrist on. It lost only one game.

We entertained the Freshmen at a Hallowe'en Party which was intended to "break the ice" between the two classes. Then we held a Senior Class Party and everyone worked hard to make it a success, which it was.

Now with great enthusiasm we are awaiting graduation and then we shall have arrived at our destination.

—Gladys Patterson

## Junior Class History

Behold! Down the Highway of Education there come seventy-six young people, just passing through the Junior Estate. Smiling and cheerful they recall with pleasure the autumn of nineteen-sixteen when the majority of the group first stepped hesitatingly on First Grade Avenue. They remember the guides who worked so hard to keep them on the Grade Avenue until they reached the Park of Eighth Grade Graduation.

Here the group chose other guides who were to take them safely through High School Maze. In this territory the Subject By-paths became more intricate and more guides were required to keep the travelers on the right road.

The group, then crossing Freshman Estate, divided into smaller parties and explored the By-paths known as Mathematics, Latin, English, Science, Literature and Athletics. In the last named, the group spoken of, known as the Junior Class, has always been particularly adept.

Once during each year of travel, the class assembles in a central park of High School Maze called The Gymnasium. Here they enjoy themselves for an evening regardless of the different by-paths they are traveling.

Some have remained to join the next class traveling down the Highway, others, who had traveled so far with former classes, have continued their journey with the Junior Class.

Our class has always been considered good in regard to individual scholarship, and we hope to complete the journey without lowering our standards.

# THE GORON 27

## Sophomore Class History

We can easily compare our four years of high school with the four seasons of the year.

When we, the Sophomore Class of 1927, filed out of the Uhrich Street School, holding our little report cards, about one hundred and twenty-five pair of bright eyes peeped into the envelopes with fear and trembling. As a great many grown people do when they read a novel, we looked at the ending first. I think without any exceptions we read "promoted to Freshmen."

The pride and joy which filled our hearts could not be daunted by the wise shaking of heads, significant glances and timely warnings of our upper classmen. We knew we were in the springtime of our High School days but we also knew that they were only tender green shoots a few months before.

Our Class entered the Freshmen year with determination. We had difficulties, as all Freshmen do, but with the aid of our worthy instructors these difficulties were greatly diminished within a few months.

Our efforts were not all in vain. Near the latter part of our school year we were noticed even by the Seniors, who appreciated our efforts to such an extent that they honored us with a party on St. Patrick's Day.

We carried our honors with pride into the Sophomore year, with pride enough of our green foliage left to enhance the beauty of the flowers that bloom in the summer season of our high school days.

We organized our class and chose Robert Lukens as president.

Our class is exceptionally well represented at the monthly meeting of the "E" club.

With promising athletes, musical talent, comedians, social leaders; with plenty of rain and good implements to promote the growth of the flowers and necessary plants that we started in the spring time, we are looking forward to the autumn or Junior year when we shall gather the golden grain and gather the fruit which will be of great importance to carry us through our Senior year,—the winter and lost season of High School.

# THE GRAD

## Freshman Class History

The first eight stops were passed without a great deal of trouble, a few of our tourists were compelled to drop by the wayside, but the majority still kept on however and with merry hearts faced the last four and most important stopovers of all the trip. These stops on School Highway are called High School collectively, Freshmen, Sophomore, Junior and Senior respectively.

One hundred eleven strong, the tourists arrived at the Freshmen stopover and were given a hearty welcome by the other tourists who had finished the necessary work at this stop and were ready to proceed on their way.

The black tunnels of Freshmen, Latin and English and the treacherous curves of Algebra and General Science forced some of the tourists to practice driving with great care in order to hold the car of education steady and assure them a safe journey to the Land of Knowledge.

The Senior Tourists entertained the Freshmen Tourists at a Halloween Party which the Freshmen greatly enjoyed and appreciated.

The majority of the Freshmen have overcome all obstacles placed before them and are looking forward with great pleasure to the joys of the Sophomore stopover.

## Track

Track has been omitted from the "Echo" heretofore because the book has gone to press before the beginning of the track season. As it is impossible to publish an account of the current track season the Staff has decided to publish the results of the 1926 season, which is the largest one that the High School has had in ten years.

A very enthusiastic class track team meet was held on the 29th and the 30th of April. The track team which represented U. H. S. in the Eastern Ohio district track meet was selected from the high point winners in this class meet.

We secured fourth place in the district meet the standing being as follows:--

Cambridge 1st with 37 points.  
 Zanesville 2nd with 34 points.  
 New Philadelphia 3rd with 33½ points.  
 Uhrichsville 4th with 23 points.  
 Steubenville 5th with 21½ points.  
 Coshocton 6th with 20 points.  
 East Liverpool 6th with 20 points.  
 Barnesville 7th with 17 points.  
 Millersburg 8th with 2 points.

The point gainers for Uhrichsville were Cummings, second in the discus and third in the javelin. Total 7 points; Carrothers, tie for first in the pole vault and tie for fourth place in the high-jump. Total 6 points; Latto, second in the shot-put. Total 4 points.

Lack of space prohibits a detailed account of the class meet but its results can be briefly summarized as follows:--

Seniors 1st—69 1/3  
 Juniors 2nd—34 2/3  
 Sophomores—29  
 Freshmen 4th—8

High point men—Detrich 17; Varner 16; Greenlee 13¼; J. P. Jones 13; Carrothers 13; Pringle 11¾; Cummings 10; Fawver 6¾; and H. Russell 6¾.

*Hal Cummings*

Hal was the fourth highest among the individual competitors at the Eastern Ohio District Track Meet. He captured second place in the discus and third honors in the javelin. He was also a point getter for his class.

*John Latto*

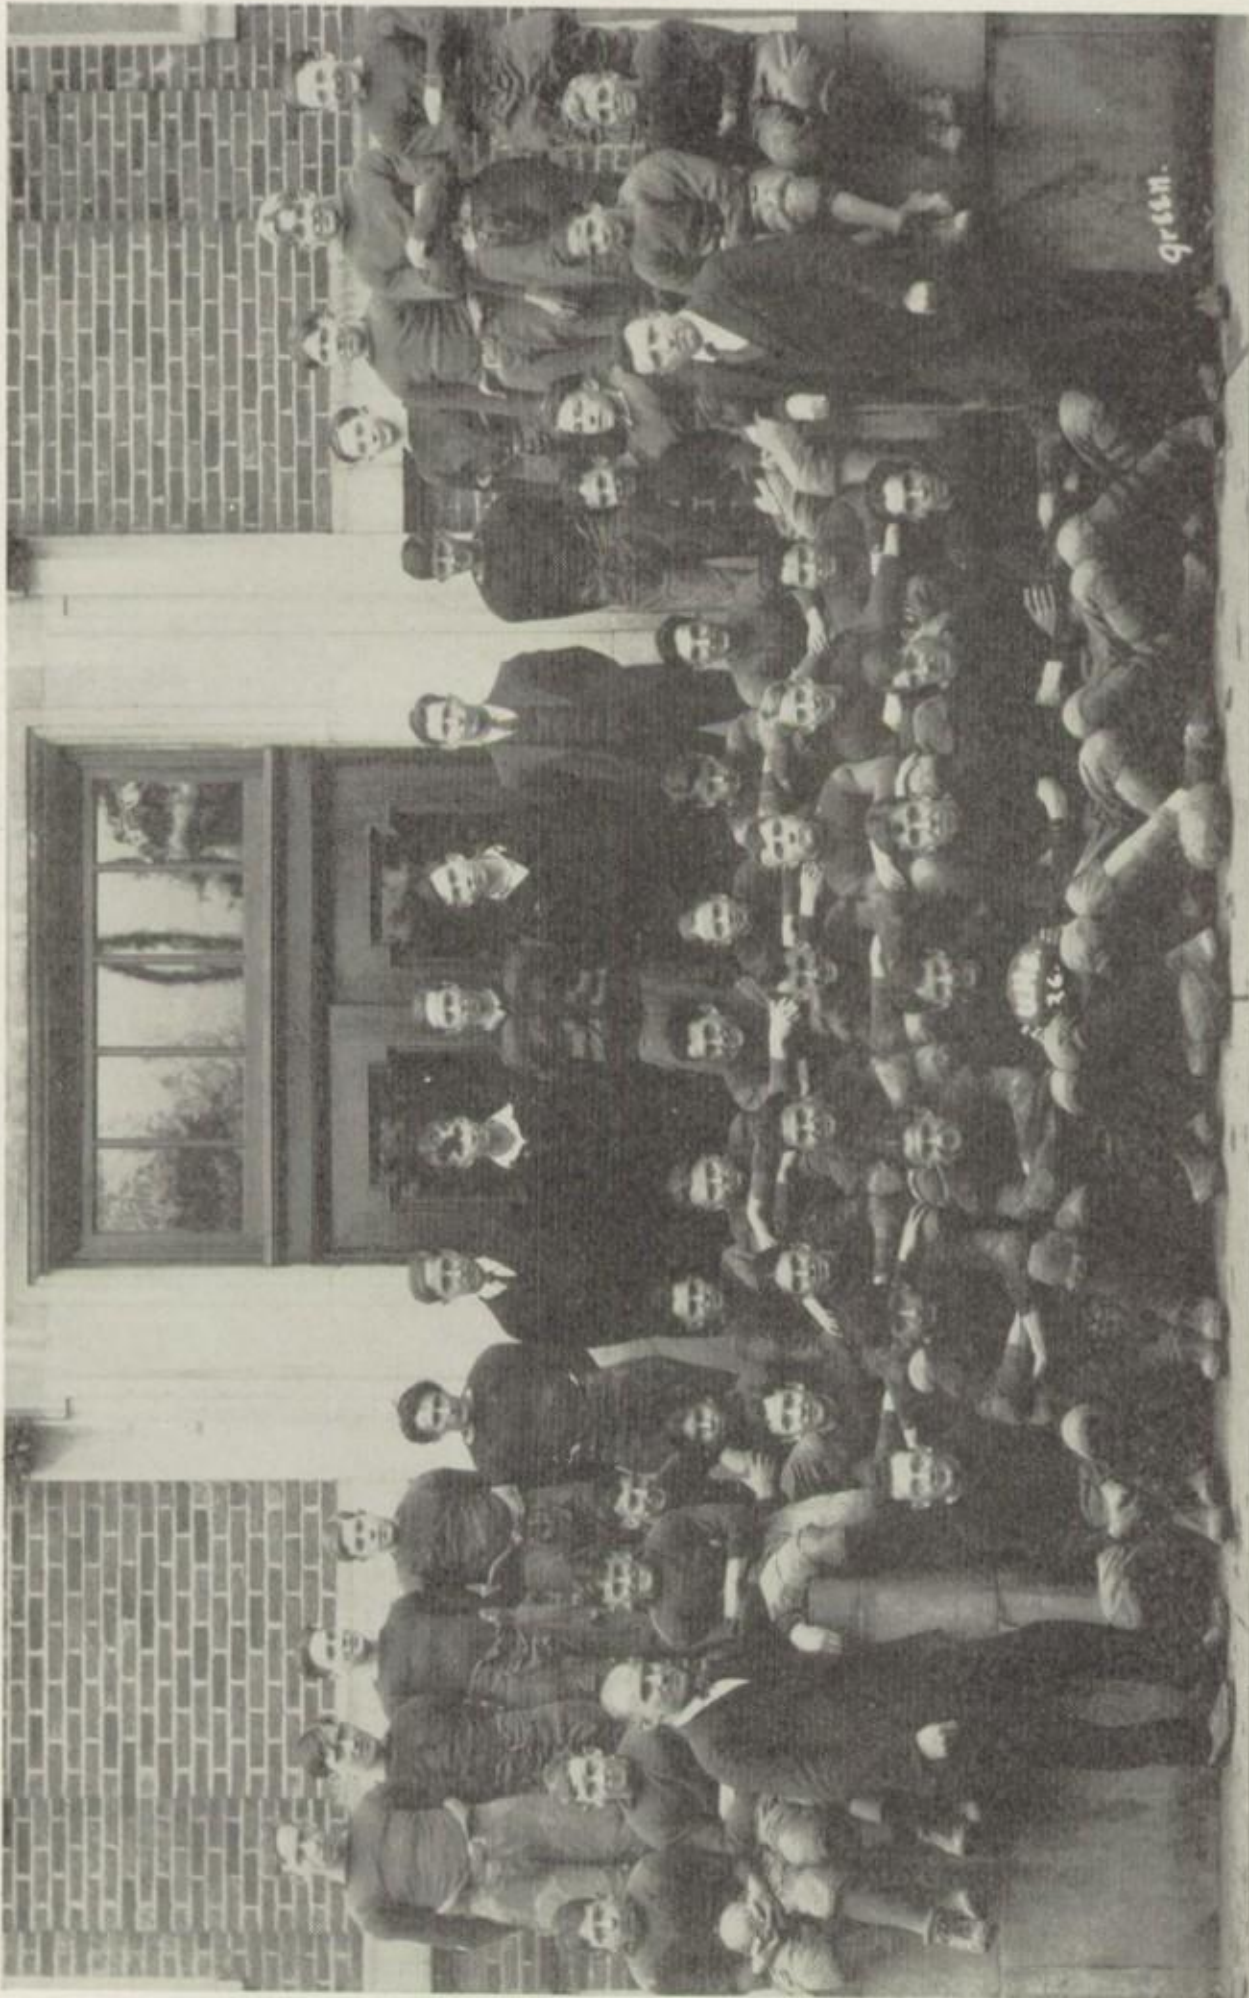

Latto is the strong man of the squad. He secured second place in the shot-put at the big meet and many points for his class in the class competition.

*Clyde Carrothers*

Clyde was one of the men to place in the track meet at New Concord. He tried for first place in the pole vault and also secured fourth place in the high jump. Besides this he is the highest individual point getter of his class.

FOOTBALL SQUAD

## Football

U. H. S. opened the season at Canton. The McKinley High team woefully defeated the Millermen 53-0. But the boys put up a good brand of football which showed they were made of the right stuff.

The next week the Miller machine followed a complete reverse in form and handed Applecreek the small end of the score.

At Minerva, U. H. S. met a stiffer opponent than the previous week. Each team seemed equally determined to win which accounts for the final score 0-0. At all times during the game the Millermen looked the best but were unable to make the coveted dash across their goal line.

The next contest was with Millersburg, in which U. H. S. showed their colors. This was no doubt the snappiest game of the season, U. H. S. being the winner of a 3-0 score.

The following week the Black and Gold upset the forecast of the sport writers and trounced Muskingum Academy 45-0. All through the game U. H. S. showed the old-time fight and spirit.

Newcomerstown proved an easy game for the Black and Gold. At no time during the game did they threaten to score.

With three straight victories and one tie, Uhrichsville had big hopes for their next game with their ancient rivals, Dover. But in a sea of mud and water they were left with a 6-0 defeat. The Millermen fought all the way and showed better form than the score indicates.

On the next Saturday, in spite of the fact that the field was very muddy, U. H. S. played a game well worth mentioning. Holding their greatest opponent, New Philadelphia, down to a score of 14-0.

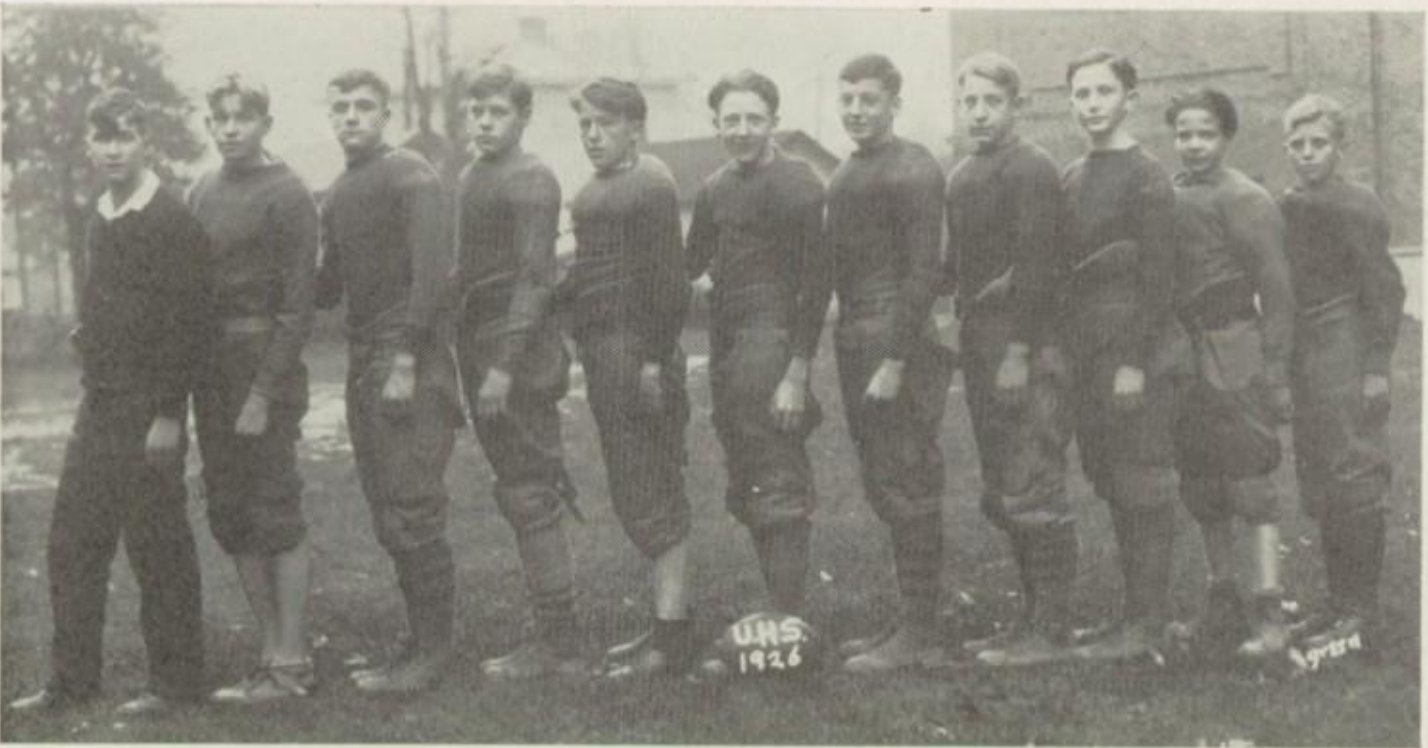

The season ended on Thanksgiving day with our team displaying one of the best offensive and defensive games of the season against Dennison. The large score, 45-0 left a good taste in every fans mouth.

FOOTBALL TEAM

FRESHMEN TEAM

DAVE LONG—*Half*

Being small held no terrors for this boy. His best game was against Dennison.

"CHICK" MAURER—*Half*

Chick was the fastest man in the back field. His ability to ward off tacklers was uncanny. He has two more years in which his services will no doubt be valuable to the Black and Gold.

MR. MILLER—*Coach*

This is Coach Millers first year as football and basketball coach. He has shown his ability by turning out a football and basketball team, each worthy of note.

HAL CUMMINGS—*Tackle*

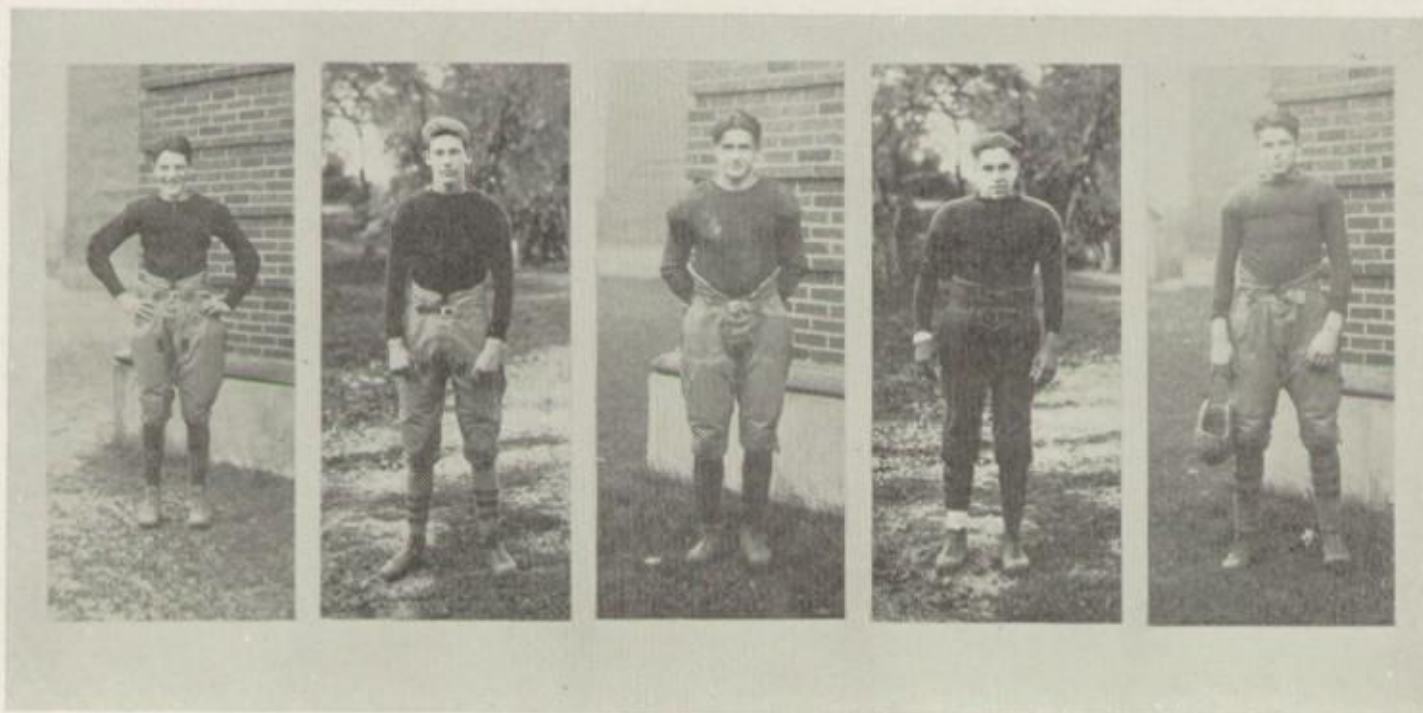

This big boy was as effective on the offense as well as on the defense. His loss will be felt next year.

WILLIAM HAVERFIELD—*Guard*

The experience "Bill" gained this year should make him a first class line man next year.

# THE FARM 27

DEB HUFF—*Center*

Bad passes were rare for this boy. Besides this he was equally as strong on the defense. He returns next year.

EDWIN MOODY—*Tackle*

"Ed" was the deadly tackler of this years team. It was a common thing for him to tackle the approaching "back" behind his own line. He returns next year.

EVERETT BROMWICH—*Captain—Guard*

Sandy was our leader. On the defense he played a stellar game and he never failed to take his man out. His place will be hard to fill next year.

PAUL JONES—*End*

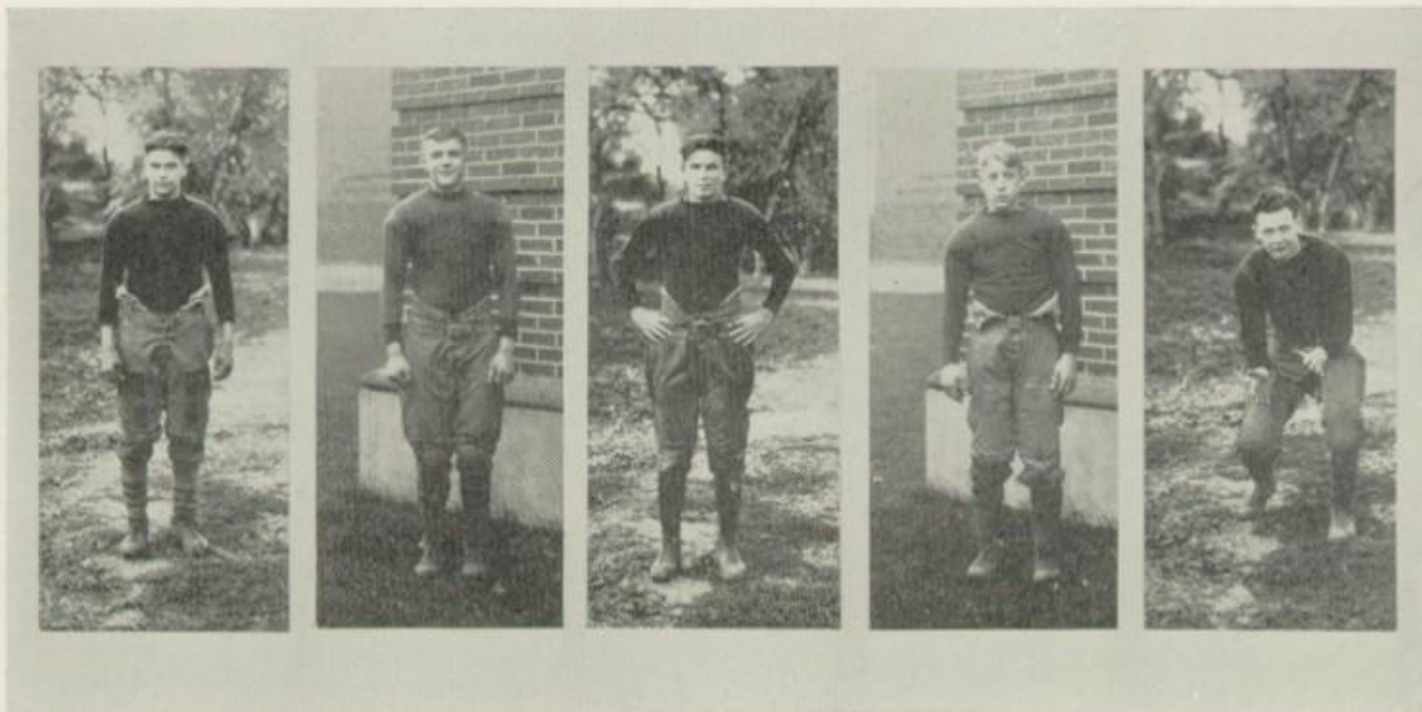

Paul's punting was a valuable asset to the team and his work as end is a credit to him. He returns next year.

RED NOBLE—*Guard*

This was Red's first year of varsity football and he has more than made good. He will be with us next year.

# THE YEAR

## PAUL WILLIAMS—*Fullback*

When a yard or two was needed, the ball was given to "Wienie" who very seldom failed.

## BOB STEVENSON—*Half*

This plunging half-back usually contributed his share of yards in every game. He is only a Freshman.

## JIM RONALD—*Quarterback*

Besides showing good generalship, this boy's specialty was off tackle bucks, at which he excelled. He returns next year.

## DUTCH FURBAY—*End*

Small but mighty. This little freshman has three more years in which to increase his reputation as a football player, which he will no doubt do.

## BOB MARSHAL—*End*

This is Bob's third and last year under the Black and Gold. He showed that he had not been playing two years for nothing.

FOOTBALL SQUAD

BASKETBALL SQUAD

## Boy's Basketball

With four veterans from last season, U. H. S. hopes for a good season looked bright. Although we came out on the short end in games, losing seven and winning five, we made up for this by coming out ahead in points.

Such teams as West Lafayette, Strasburg and Newcomerstown were easily defeated. The Dover and New Phila games away were quite the reverse.

The best and the fastest game of the season was against our old rival, New Phila, the score being 17-15. Our loss might be due to hard luck as we decisively outplayed them during the game. But by re-doubling their efforts at the last minute were able to overcome our lead and take home the big end of the score.

The Cadiz and Dover games were both fast and interesting, in fact they were so interesting that spectators could not keep out of the game.

Dennison, triumphant over the score 14-20 that they handed us on their floor, were confident that they could repeat the act on our floor, but were sent home without their bacon, the score being 19-11.

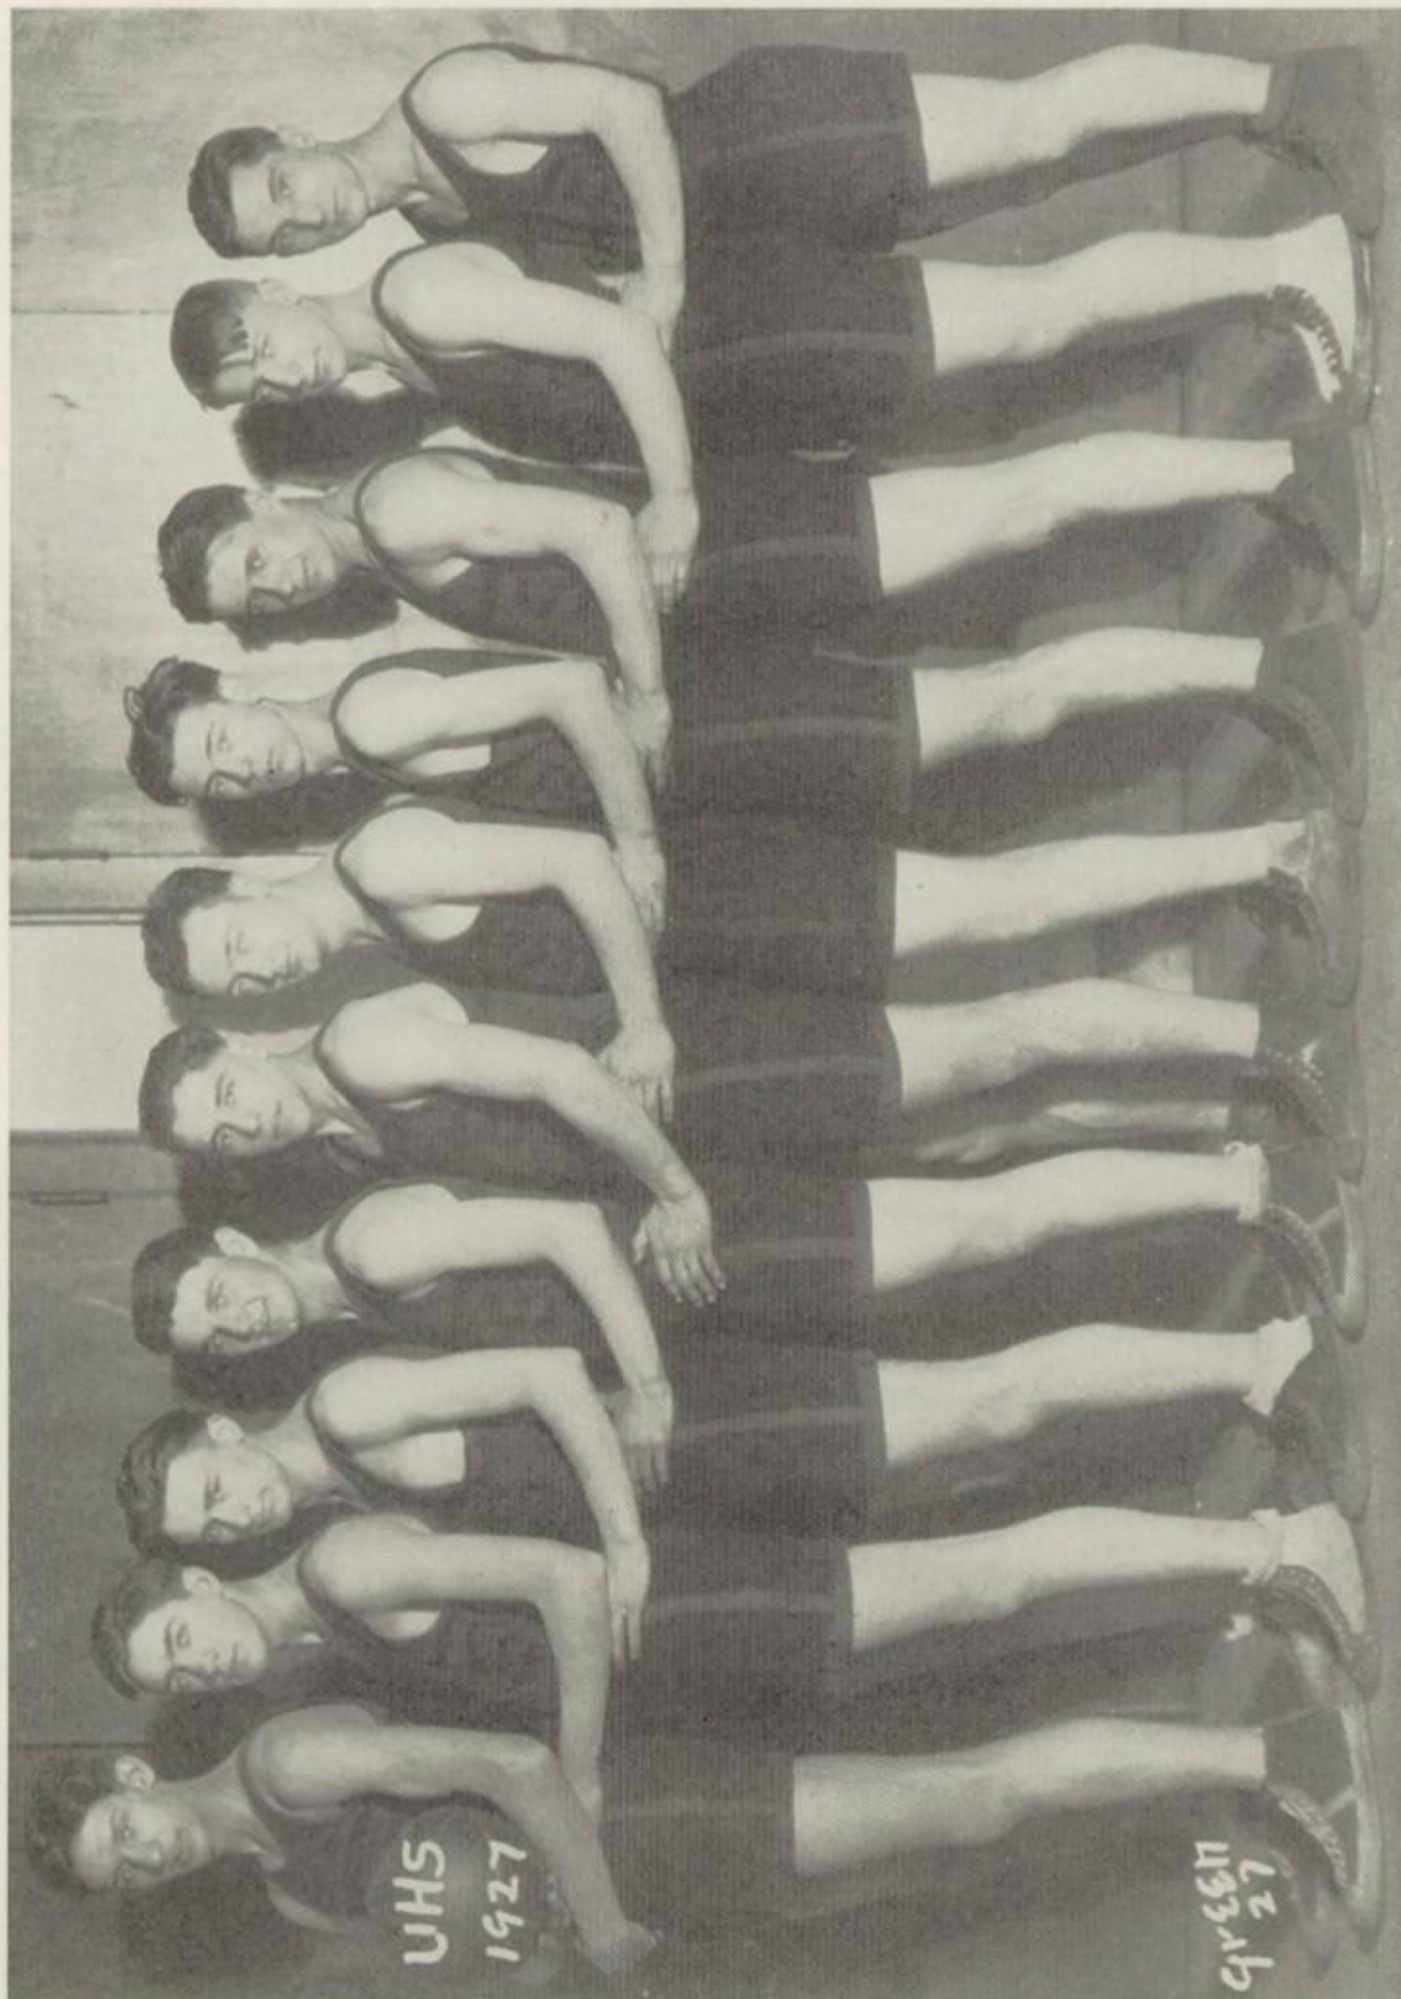

### SECOND TEAM

The Second Team played an excellent brand of basket ball during the season, and some were soon called to join the Varsity Quintet.

## Girl's Basketball

With a veteran varsity crew at the beginning of the season, our future looked prosperous even though confronted by a tough schedule.

The season opened with our southern enemy, Newcomerstown. The game was fast and furious from beginning to end with the Black and Gold at the top at all times, leaving them a 17-14 defeat.

Carrollton, Coshocton and New Phila proved no match for us at home or abroad. The Adena girls were rough and ready but they too had to fall.

The only blot on the season was the battle at Newcomerstown, where they handed us the same defeat as they received at the beginning of the season here. As to the game the less said the better.

Leaving one varsity player, we wish our luck to the next years varsity and to Captain Robinson.

GIRLS BASKETBALL TEAM

## The Varsity Girls

### LOIS BRAKEBILL

"Brakie" without a doubt, is one of the greatest basketball players ever turned out at Uhrichsville. Although closely guarded all season, she continued her scoring which has made her the girl of the team. Lois received the great honor of being on the team for three years. She was an ideal captain, keeping her team together and fighting every minute. Lois will be greatly missed both as a captain and as a student.

### MARJORIE ROBINSON

Marjorie, next year's captain, finished her second year of varsity competition. She is very clever and tricky with the ball, and we expect big things from her next year.

### ELIZABETH PATTERSON

"Lib" was the sensation of the Black and Gold this year. No guard could hold her down. She showed unexcelable ability in obtaining the ball and in locating the basket. This is her second year as our most dependable forward.

### RUTH TAYLOR

Playing her second year on the varsity, "Fairy" proved a fast and furious guard. Few opponents were able to dodge her, which accounts for our opponents low scores.

### HAZEL SIEGRIST

As a member of the U. H. S. Hazel has played her second and last year. of varsity basketball. "Siegie" made up for her size in her speed and fight.

### ETHEL VAN LEHN

Doing her best in all games, made Van Lehn a valuable guard. She seemed to have no difficulty in keeping the score of her opponents down.

### GONE ARE THE DAYS

Gone are the days when we went to U. H. S.  
Gone are the times, the times that we loved best,  
Gone from the school into the world of strife,  
We long again for U. H. S. and school day life.

We long for school when life and strife have proved an utter bane  
For there in truth, did peace and quiet sometimes reign,  
You ask—were we sad when those doors on us did close?  
Well maybe we were and maybe we weren't. I wonder who knows?

What noble classes have passed that noble door!  
To what noble heights did noble classes soar!  
Be they ever so noble—this we don't bemoan,  
There's no class half so noble as this our own.

Were coming, were coming, were coming as of yore,  
To visit our old Alma Mater, just-once-more.

## VALE

Their bright lives snuffed out at Nature's fullest,  
Life, that seemed so sweet and precious, gone!  
Gone to that limbo of forgotten things;  
That land of quiet, peace and nothingness.

They have not lived in vain, for on the bright  
Escutcheon of their Alma Mater  
They have left the memory of laughter,  
Beauty, Happiness, and work well done.

The lessons they give.

## "WHERE"

"Where can a man buy a cap for his knee, or a key for a lock of his hair,  
Or can his eyes be an academy, because there are pupils there?"  
"In the crown of his head, what gems are found, and who travels the bridge  
of his nose?"  
"Does the calf of his leg become hungry at times, and devour the corn on  
on his toes?"  
"Can the crook of his elbow be sent to jail, where's the shade from the  
palm of his hand?"  
"And how does he sharpen his shoulder blades, I'll be hanged if I under-  
stand."

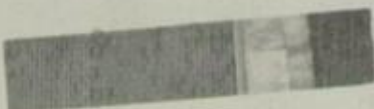

Wouldn't it be funny—

If Pauline Miller had Hal's feet.  
If Bill Stoutt had Dot's giggle.  
If Hazel caught on.  
If Lois had a boy bob.  
If Miss Smythe was as quiet as Theo Clever.  
If Ethel Van Lehn had Red's complexion.  
If David Nelson walked like Archie Stevenson.  
If Miss George wore Mr. Virtue's glasses.  
If Mr. Miller had George O'Donnell's head of hair.  
If Chick Maurer was as slow as Maurice Douglas.

We editors may tug and toil,  
Till our finger tips are sore,  
But some poor fish is sure to say,  
I've heard that joke before.
